

# PREVENTATIVE MAINTENANCE PROGRAM

**CIDAN Machinery** offers preventative maintenance programs that are designed to reduce costly repairs, minimize machine downtime, and optimize productivity. All programs are flexible to meet the needs of each customer.

- Personalized terms with discounted pre-paid travel costs
- Guaranteed technician onsite within 48 hours when required
- Eligible discount on parts
- Software and Firmware updates
- Follow up training or training of new staff also offered

Keeping your machine well-maintained ensures optimum efficiency as well as increases the life of your machine.

\*Preventative Maintenance is offered on machines that are not regularly serviced or supported by CIDAN Machinery on a case by case basis.
